

DC HEAVY DUTY PIPE RACK

Designed, tested, and certified by Skyjack

For work applications where carrying capacity is critical, the heavy duty pipe rack is the ideal attachment for a safe and secure solution. Mounted at the rear of the platform for optimized platform space, the heavy duty pipe rack has a rated work load capacity of up to 445 lb.

DC HEAVY DUTY PIPE RACK

KEY FEATURES

Neoprene strips prevent material damage and limits vibration

Two U-brackets are used to mount over the platform railings. The brackets are clamped together with nuts and bolts to keep the rack secured

Durable nylon straps to keep load secure

Mounted on the main platform of the machine. The weight of the pipes are channeled through to the base of the rack, to achieve a high capacity rated load
